

Cascade Heights Strata BCS 1682
Council Meeting – March 9th, 2015

1. **Call to Order:** Meeting commenced at 4:20pm

2. **In attendance:**

Roger Bush
Anita Kirkland
Linda Dawson
Kassie Ranchie

Regrets: Michael How

3. **Common Park Maintenance Quotes**

- Three quotes were received:
 - Greener Solutions Landscaping
 - Smardon Landscaping
 - Lawn & Order Yard Care
- The council reviewed all three quotes, keeping in mind that this park is a dual usage park. Both children and adults use the park, therefore we want to make sure the park looks nice but is easy to maintain.
- After debating which company could deliver this look to the strata, the council agreed that the park will be maintained by Greener Solutions Landscaping for 2015.

4. **Children in the park**

- Since summer is fast approaching and we have many children in the strata, the council thought this would be the best time to remind the strata lot owners a few things:
 - Since we all pay for the maintenance of the park try to keep the children out of the garden beds and educate the children on caring for the park.
 - Please keep an eye on children while playing on the road/park.

The next meeting will take place: Still to be determined

5. **Meeting Adjourned:** 5:15pm
